*“Why YOU are a millionaire waiting to happen even if you’ve never made more than \$10 an hour.”*  
**Mompreneur turned million dollar business woman  
Milana Leshinsky reveals  
HOW TO IDENTIFY AND MONETIZE YOUR  
MILLION DOLLAR IDEA.**

(June 2010) -- Unemployment and job loss continue to plague the economy but that doesn't mean you should put your dreams of financial freedom on hold. Multiple income streams expert Milana Leshinsky says **everyone** has a million dollar idea and bringing that idea to life is easier than you think.

In this highly-interactive interview, Milana can tell your audience the 3 simple steps to identifying and monetizing their million dollar idea. Among other things, Milana will share:

- How to tap into your passion.
- How to tap into the market that is just waiting to support you.
- How you can build a profitable “passive-income” empire from your passion.
- Real-life examples of others who have done it.

**She is also willing to do real-time case studies with your audience to show them how to monetize their million dollar idea!**

Milana is currently available for radio interviews nationwide by phone. To schedule an interview, please call: 330-686-3185
