INTERVIEW OPPORTUNITY
*****BUSINESS EXPERT AVAILABLE*****

Mompreneur turned million-dollar-business woman
Milana Leshinsky reveals
**HOW THE “MOM NEXT DOOR” CAN BUILD A
6-FIGURE BUSINESS AT HOME.**

(June 2010) -- Stay-at-home moms are usually relegated to making little or no money but multiple income streams expert **Milana Leshinsky** says it doesn't have to be that way. In fact, Leshinsky says moms can create 6-figure businesses without ever leaving their homes.

Milana is the mother of two children and has gone from doing at-home jobs that *lost* money to building a 7-figure “multiple income streams” empire that now allows her to live the life of her dreams.

In this highly-interactive interview, not only will Milana share her personal story, she'll also reveal simple steps moms can take to create high-income businesses from home. Your audience will learn:

- The secret to finding your passion and expertise.
- 5 easy steps you can take to turn your passion into cash, even if your family thinks you're crazy!
- How this can be done even if you've never made more than minimum wage.
- Real-life examples of others who have done it.

She is also willing to do real-time case studies with your audience to show them how to turn their passion into cash!

Milana is currently available for radio interviews nationwide by phone. To schedule an interview, please call: 330-686-3185

ABOUT MILANA:

Milana Leshinsky has created a million-dollar coaching and information business empire from home, while raising two children. She works with multiple-income-stream entrepreneurs, helping them uncover hidden profit centers, maximize their existing revenue streams and create passive income streams.
